

CINDY NEUNERT, MD

Dr. Neunert is an Associate Professor of Pediatrics at Columbia University in New York. She earned a medical degree from Eastern Virginia Medical School in Virginia and completed her pediatric residency there. Following this, she received fellowship training in Pediatric Hematology-Oncology at University of Texas Southwestern Medical School at Dallas in Texas where she also obtained her Master's degree in clinical research. Her research interests involve assessing patient-related outcomes in benign hematology, specifically disorders of hemostasis and thrombosis. She was chair of the 2019 American Society of Hematology evidence-based guidelines on the diagnosis and management of Immune Thrombocytopenia. She has work closely with the Intercontinental Cooperative ITP Study Group and is the former chair of the Pediatric ITP Consortium of North America.
